What Is Canvas? What Will I Use It For?

Canvas provides a secure, online classroom for each of your courses. Your instructors may use Canvas to communicate, share course materials, and assign learning activities for you to do. You can use features in Canvas to help keep track of your work, collaborate with classmates, and preview your grades. To be enrolled in the course, you will need to start with creating a CWL (Campus-Wide Login). Learn more about Canvas here.

Steps for Creating UBC Canvas CWL

If you do not have a CWL account, please follow the instructions below to create one:

(1) Go to https://activate.id.ubc.ca/iamweb/

(2) Click on "Create New CWL" box

(3) Follow the CWL Account Sign up Step 1-5

At the Step 2,

- If you have a UBC Affiliate Number, select "Affiliate" (your affiliate password would be your birthdate in YYMMDD by default)

- **Otherwise, select "Basic"**

(4) Proceed to complete the remaining steps & activate the account

Canvas Self-Registration Guide

(1) Click the self-registration link provided by your instructors.

(2) Log in to your Canvas account.

(3) Once logged in, click "Join this course" button on the right side.

If you wish to drop or withdraw the course, please make changes in your MyLion account, please also drop it on Canvas. If you have any questions, please do not hesitate and contact:
